## About LITE:

LITE is a non-profit fundraising organization supporting innovative, long-term solutions to poverty in Winnipeg's inner city. Our 13 Partners develop the capacity and dignity of their participants through employment skills training, experience, and support. For Partner descriptions, visit [www.lite.mb.ca](http://www.lite.mb.ca).

### **Contact Info:**

640 Broadway (Lower Level)  
Winnipeg, MB, R3C 0X3

### **Why was LITE created?**

LITE began as a response to a dramatic decline in sales at inner city grocery stores as a result of the influx of hampers at Christmas time. LITE's long term solution to this problem was to create the alternative LITE Christmas Hamper which directs your donations to purchase products from inner city businesses and social enterprises before sending them to the Christmas Cheer Board.
