

A LITE Partner: Neechi Foods

Neechi Foods Community Store is a full-range grocery store and Aboriginal specialty shop on Dufferin Avenue and one of LITE's founding partners. Since 1989 Neechi has been serving the downtown community, providing employment, training and collective business ownership to 10-12 inner-city residents. Neechi has been in business since 1989 and is widely known for its leadership in Community Economic Development. In 2010 alone, LITE purchased over \$35,000 of food from Neechi to be donated to the Christmas Cheer Board. This money not only provides an influx of capital to Neechi to strengthen business and provides jobs, but is then redistributed in the form of food to families in need.

Help LITE and Neechi Foods continue to provide jobs and food to those who need them most. A gift to LITE means long term solutions to poverty as well as providing Christmas dinners to struggling families this year. **For more information or to donate visit www.lite.mb.ca or call 942-8578. make a real difference and give the gift that gives twice.**
