

# The Multiplying Effects Of Giving to LITE

Did you know that by giving to LITE you create a long term solution to poverty and stimulate the revitalization of Winnipeg's inner city?

Money From LITE's generous donors is funneled through our organization and disbursed to our amazing partner organizations in the form of community grants, or at Christmas time, purchases of food from social enterprises to be donated for Christmas hampers.

Giving to LITE means strengthening our community which is something that we can all benefit from. This year, donate to LITE and provide a hand up, not a hand out while creating jobs, supporting small businesses, donating food to those in need, and creating a sense of accomplishment and self esteem for those who need it most.

**To donate to LITE visit [www.lite.mb.ca](http://www.lite.mb.ca) or call 942-8578!**
