LITE Board Nomination

LITE's Annual General Meeting will take place on **Wednesday, September 9, 2026, from 5:30–7:30 PM**.

Ahead of the AGM, the following individuals have put their names forward for election to LITE's Board of Directors. Members are encouraged to review the nominee bios below prior to the meeting.

Board Nominations

The following individuals have put their names forward as nominees to LITE's Board of Directors:

Jordan Armstrong

Jordan Armstrong is a Winnipeg lawyer in his fourth year of practice, with a focus on family law, real estate, and wills and estates. He enjoys everything Winnipeg and the surrounding area has to offer, including sports, arts, and getting out of the city for a long weekend. Jordan is interested in becoming involved with LITE because he recognizes that finding employment is not always as easy as it should be. He believes that helping make employment more accessible can strengthen the community and create opportunities for people to prosper.

Jon Epp

Jon Epp is a Dealer Relationship Manager with the captive finance arm of General Motors Canada, working throughout Manitoba and Northwestern Ontario. He brings 20 years of experience in sales, finance, credit, marketing, training, and vendor management within the automotive industry, with experience across dealership and corporate roles in Ontario, Alberta, and Manitoba.

Originally from Manitoba, Jon and his wife moved to Winnipeg in 2023 to further their careers and reconnect with family. Having personally benefited from career counselling, work experience programs, and diversity initiatives throughout his professional development, Jon has seen firsthand the impact that access to tools, resources, encouragement, and support can have on an individual's livelihood.

203-765 Main St., Winnipeg, Manitoba R2W 3N5
info@lite.mb.ca
204-942-8578

Jon is passionate about building stronger communities through economic opportunity, removing social barriers, and empowering people through skills development. He hopes to bring his professional experience to LITE while supporting and expanding initiatives focused on training, employment, and community development.
